LEARNINGMETHODS™ RECORDINGS

Information about the Release Form and the Licence Agreements

You have indicated that you are willing to allow your recorded pieces of work in a LearningMethods workshop or class to be made available for study by other people interested in the LearningMethods work. Since these pieces of work are about personal issues, it is important for the protection of all concerned that the rights and responsibilities are spelled out formally and clearly.

Thus you are being asked to complete and sign this formal Release Form which specifies what sort of permission you are giving and which pieces of work this permission applies to.

Anyone who obtains the recordings for study must accept a Licence Agreement that legally binds them to not share the material with anyone else, to respect the confidentiality of the material and the copyright.

There are two types of permission you can give:

1. Restricted—this restricts the availability of your recordings only to LearningMethods Teachers and Apprentice-teachers who have already completed a signed and witnessed Professional Licence Agreement. These people will use the recordings to further their training as teachers of the work and to develop their professional and teaching skills.
2. Open—this type of permission allows for the availability of your recordings to anyone interested in the work, primarily to further their understanding of and get help with similar issues of their own. There is a similar End-User Licence Agreement for this permission, both on the recording and as a printed document accompanying the recording, but people do not have to sign it. It is an implicit agreement in the sense that viewing or listening to any of the Recordings constitutes their acceptance of the terms and conditions of the Agreement.

Copies of these two Licence Agreements are either included or can be obtained from the LearningMethods office (see letterhead above for phone numbers, postal and e-mail addresses) or they can be viewed and printed from the web site at www.learningmethods.com/licences.htm where you can also view and print extra copies of this Release Form.

On the Release Form you choose which type of permission you wish to give by putting a check mark in the appropriate tick-box (make sure you only check one box OR the other, NOT both):

I give permission for the above described recordings to be used:

- by anyone interested in the LearningMethods work, OR
 Only by LearningMethods Teachers or Apprentice-Teachers who have agreed to be bound by the conditions of the LearningMethods Professional Licence, a signed and witnessed confidentiality agreement.

The rest of the Release Form should be straightforward to fill out. Examples are below:

Location, Date and Type of Recording:

Workshop/Class Location: STOCKHOLM, SWEDEN Date: JANUARY 12 – 15, 2001
Type of Recording (tick one): Audio only Video only Audio and Video

This agreement covers:

- My contributions for the entire workshop listed above, OR
 Only the specific piece(s) of work listed below, OR
 My contributions for the entire workshop listed above EXCEPT for the specific piece(s) of work listed below:

Date: JAN 14, 2003 AM PM Description: ON MY CHRONIC BACK TENSION

Don't forget to date and sign both copies of the form. Keep one for yourself (the one marked "Your Copy") and send the other one to: LEARNINGMETHODS, attention: David Gorman, Quartier la Rouvière, 30130 St. Alexandre France.

Only you can know if it is appropriate for you to allow others to learn from your experiences and which sort of permission is best! Please make sure you feel completely comfortable with your decision before signing.

Do not hesitate to contact me if you have any questions at all.

Warmly,

David Gorman
